

The office for the Advancement of Women in Science and Gender Equality is happy to invite you and your spouse to an

## Evening of wine & cheese

**Sunday, June 16<sup>th</sup> at 19:30, on Campus**

The event will be held in Hebrew

One of the greatest challenges that faces many outstanding woman scientists who wish to become a PI in Academia, is uprooting their families to embark on a postdoc abroad.

You are invited to hear about the process, challenges, and perspectives of women scientists and their spouses who have decided to undertake a postdoctoral position outside of Israel.

Round table members:

**Dr. Tslil Ast**, Department of Biomolecular Sciences, and **Shachar Dagan**

**Dr. Meital Oren**, Department of Brain Sciences, and **Elroi Oren**

**Dr. Alexandra Tayar**, Department of Chemical and Biological Physics, and **Dr. Eyal Karzbrun**, Department of Molecular Genetics

**Dr. Shira Raveh-Rubin**, Department of Earth and Planetary Sciences, and **Dr Adi Raveh**
