

WEIZMANN WOMEN IN CHEMISTRY

is proud to host

Prof. Irit Sagi

Prof. Sagi wears many hats! She is the institute's VP for Innovation & Technology Transfer, PI at the department of Biological Regulation, head of YEDA and much more. She will come to share with us her academic journey, talk about "Tech Transfer" and what she thinks of advancing women in science.

Come to hear and ask her questions

Sunday, 3 November 2024

13.30-14.30

Light refreshments at 13:15

Perlman Building, 2nd floor, Shlomo Alexander
